

EXPRESSION OF INTEREST SOIL PLANT & WATER TESTING LABORATORY

PROFILE

BUAN Enterprises (Pty) Ltd is a company owned by Botswana University of Agriculture and Natural Resources (BUAN). BUAN is a University established through an Act of Parliament with the mandate to provide higher education and training in the field of Agriculture, Natural Resources, and such other allied and related disciplines. The University actively contributes to the country's aspirations of transforming to a knowledge-based economy leveraged on sustainable economic, human and social development.

EXPRESSION OF INTEREST

BUAN Enterprises (Pty) Ltd hereby invites qualified local and international organizations (research centres, universities, companies, centres of excellence etc.) and/or researchers to submit their expression of interest (EOI) for the joint establishment and operation of a SOIL, PLANT & WATER TESTING LABORATORY.

OBJECTIVES OF SOIL, WATER AND PLANT TESTING

The objective of the soil, water and plant testing laboratory is to provide a range of analytical and consulting services to a broad range of customers. In animal, crop and soil health, the ideal testing includes biological, chemical and physical testing on agricultural materials i.e soil, plant, fertilizer, animal feed and water.

Notwithstanding anything in the foregoing or the invitation for EOI documents, BUAN Enterprises (Pty) Ltd is not bound to accept any submission for EOI. The Company reserves the right not to proceed with the invitation to submit an EOI or give reasons for its decision. BUAN Enterprises (Pty) Ltd shall not be responsible for nor incur any expenses in the preparation thereof and may cancel the EOI and tender without divulging reasons of same.

Interested potential partners are requested to send an email titled (EOI): SOIL, PLANT & WATER TESTING LABORATORY no later than 11th June 2021 to bdd@buan.ac.bw for registration in the EOI process. The initial email must be accompanied by the profile of the submitting entity.

Any Substantive Queries related to the EOI must be made in writing and forwarded to the following email address
Attention: T Meroro Email: bdd@buan.ac.bw.
