Ministry of Health and Wellness

CALL FOR EXPRESSION OF INTEREST TO SUPPLY, INSTALL AND COMMISSION OXYGEN GENERATING PLANT AT MINISTRY OF HEALTH AND WELLNESS PRIMARY HOSPITALS

Background

Ministry of Health and Wellness wishes to invite local companies to express interest in the supply, installation and commissioning of oxygen generating plants at primary hospitals. There are eighteen (18) Primary Hospitals to be supplied with oxygen generating plants across the country. The eighteen (18) hospitals are within five (5) regions that will be allocated as lots for award of the tender.

Scope

The bidders should demonstrate technical capacity to fulfil the following;

- Capability to set up the oxygen generating plant that generates medical grade oxygen and maintained in a functional condition at all times.
- Install the necessary fittings, pipes and accessories to ensure connectivity and constant oxygen supply to clinical areas.
- Install wall piping of oxygen outlets at different clinical areas.
- Ability to maintain a minimum pressure of 4 bar in all the points in the wards and Operating Theatre at all times.
- The plant to be able to record amount of oxygen consumed in litres or kilograms for records purposes.
