

## SENIOR FINANCIAL ANALYST

# DE BEERS GROUP

**De Beers Global Sightholder Sales (DBGSS)** has an exciting opportunity for a **Senior Financial Analyst**. This role provides reliable insights, safely and efficiently, into gross profit and inventories (the trading account) at Diamond Trading (DT). It is responsible for gross profit and inventories – actuals, gross profit and inventories – budget/outlook, business planning, treasury, direct report development and SHE, risk management and business integrity.

### KNOWLEDGE, SKILLS AND EXPERIENCE

- Proven experience of distilling the financial performance of complex groups into concise actionable analysis for stakeholders.
- A track record of identifying, motivating for, and executing process improvements of deliverables executed by both the individual and the wider team.
- Exposure to accounting and/or consolidation software applications such as SAP and Oracle Hyperion Financial Management (HFM) respectively.
- Familiarity with dashboarding tools, such as PowerBI or Tableau.
- Knowledge of modelling techniques (discounted cash flows, etc.).
- The applicant must be adaptable and able to prioritise across a wide range of tasks, executing those tasks accurately and within tight deadlines.
- Strong Excel formulae writing skills.
- Adept at handling adhoc queries from stakeholders, writing reports, and preparing presentations.
- A demonstrated critical thinking ability.
- The successful candidate should demonstrate an excellent degree of motivation, an ability to identify opportunities for improvement and implement solutions towards their successful resolution.
- The job involves daily interaction with teams in a number of other countries, and therefore requires a high degree of cultural sensitivity, an understanding of the local market working practices, and an ability to communicate effectively across the Group.

### QUALIFICATIONS

- Qualified within the last three years with a relevant accounting qualification – BICA, ACA, ACCA, CIMA or equivalent and BICA registered.
- To have gathered at least 3 years' experience with a professional service/ audit firm.
